P.J. Pacifico, *Acoustic Cafe, tba, Saturday,*

May 6

Pacifico should be no stranger to anyone who has spent time on our so-called music scene. He was a member of Sunflower and Side by Each and used to work at 7 Willow Street when quality national bands still came through the area. He's now doing the singer-songwriter thing and recently released "Well I'll Be," which demonstrates his strengths in the sensitive nice-guy pop that is in favor these days. With James Blunt, Daniel Powter and Teddy Geiger making chart impact, Pacifico has released his solo debut at the right time. His hooks don't miss and his voice contains an everyman warmth. Pacifico could follow in the footsteps of John Mayer and Stephen Kellogg and break out of the Fairfield County doldrums quickly. \$5. Acoustic Cafe, 2926 Fairfield Ave., Bridgeport. 335-3655.
